Public Hearing for Draft Language on Agri-tourism – Ms. Orders read the legal notice and made a brief presentation on new language – Article XX, Section 10950 Agritourism. Ms. Orders discussed the LUC recommendation to approve with modification. LUC recommended to establish the definitions for Agritourism within the definition section rather than within the section.

Zoning Administrator Mr. Todd attended the LUC Executive Committee meeting on 11/14/19 to answer any questions on behalf of the Township regarding the proposed draft language. There was brief discussion. Ms. Orders asked for any public comment. There was none.

Ms. Staats motioned to recommend approval of the draft language on Agritourism, with the LUC-recommended move of definitions, to be the Millcreek Township Trustees. Mr. Belmonte seconded the motion. All voted aye.

Ms. Orders thanked the ZC members for attending the hearing and providing input over the many months of drafting the language. Ms. Orders adjourned the public hearing at 7:24 pm.
