Special Session
April 26, 2022

The Millcreek Township Trustees of Union County, Ohio convened in special session from 7:00 p.m. to 9:05 p.m. at the Millcreek Township Community Building to discuss long-range fiscal planning and to consider possible capital projects or other improvements/repairs for the township community building and surrounding grounds as well as the cemetery. Mr. Conroy called the meeting to order with the following members present:

MEMBERS: Keith Conroy, Bill Jordan, Dave Long and Scott Brackenridge.

ATTENDEES: None

Mr. Brackenridge began the meeting by presenting financial schedules providing a 5-year summary of receipts and expenditures as well as further detail for certain special revenue funds. The trustees reviewed the information, asked questions and held discussion amongst themselves. The trustees also reviewed current revenue generated by the Fire & EMS levy and the Police Protection levy and compared that revenue against our current contracted expenditures for those services and discussed future needs.

The trustees next discussed ideas for any capital improvement projects or significant maintenance projects for the township community building, garage, surrounding grounds (including the playground and ballfield) and cemetery. Ideas were shared and discussed but no commitments were made. These ideas will be considered and prioritized if necessary at future trustee meetings.
