The Millcreek Township Trustees of Union County, Ohio held a public hearing from 7:00 p.m. to 7:15 p.m. at the Millcreek Township Community Building to review and consider for approval an updated draft of the township's Comprehensive Land Use & Growth Plan. Mr. Conroy called the meeting to order with the following members present:

MEMBERS: Keith Conroy, Bill Jordan, Dave Long and Scott Brackenridge.

ATTENDEES: Chief Doug Stewart – Jerome Township Fire Department, Ron Todd, Joni Orders, Joanne Rausch, Arran Schultz, 3 other residents (did not sign in)

Prior to the meeting, Ms. Joni Orders, Zoning Commission Chair, distributed drafts of the updated Comprehensive Land Use & Growth Plan to the Trustees. This update was made by gaining feedback from residents through a community survey and public hearings and discussions occurring over more than a year amongst the Zoning Commission members. Township personnel also engaged an outside consulting firm to help guide the process of obtaining, aggregating and reporting the key findings. Overall themes of this update include maintaining the township's rural heritage, avoiding large scale development, but also maximizing area within the township that is conducive for development.

The LUC Regional Planning Commission reviewed the updated Plan. The LUC provided a recommendation of "Approval with Modifications". The Zoning Commission reviewed the suggested modifications from LUC and considered them within this final Plan document.

The Zoning Commission recommends the trustees approve the updated Comprehensive Land Use & Growth Plan.

The trustees held some discussion regarding the Plan and the process completed to gather information to complete a meaningful update. The trustees thanked everyone involved for their time spent.
